# Senior History

DEAR DIARY

Freshman Year

September 7, 1958--A memorable day for us! We enthusiastically began our high school days as freshmen.
September 25, 1958--Wow, what a day! Class elections were held and the following leaders chosen: President, Walter Rafacz; Vice-President, John Ninosky; Secretary, Judy Campbell; Treasurer, Ran Spangle.
October 7, 1958--Philipsburg's "Skateland" was the scene of the wonderful and profitable skating party we held tonight.
October 16, 1958--Our calories and cash were both increased today after our successful bakesale.
November 14, 1958--We're off to "Skateland" again. A good time was enjoyed at all.
November 29, 1958--Mint green and black were all you could see today as we received our class hats and emblems.
May 28, 1959--Our big day! We visited Gettysburg, Harrisburg, and Hershey. We will all remember this day. Who could forget it?
May 5, 1959--This is both a happy and a sad day for us. We hate to say good-by to our old familiar ways of junior high, but we are looking forward to our three years at senior high.

Sophomore Year

September 5, 1959--You go first, no, you can go. There certainly was no race to the door. We were all kind of nervous that day.
September 21, 1959--Everyone cast your ballots. This was election day. Officers chosen were as follows: President, Roy Dunlap; Vice-President, John Ninosky; Secretary, Nancy Sinclair; Treasurer, Ray Spangle. Student Council representatives are: Jackie Gunia, Judy Campbell, Don Shaffer, and Bill Welker. Our class advisors are to be Mrs. Gorman, Mr. Bearer, and Mrs. Philips.
October 10, 1959--Cakes! Cookies! Cupcakes! We sold everything at our bakesale and added more money to our treasury.
November 21, 1959--Turkey and cranberry sauce? No, we sold pop and chips at our Thanksgiving Dance. Even so, we netted a neat profit. Dancing does work up an appetite
January 8, 1960--Elvis Presley's birthday? Yes, that's right, but it's also the date of our Mid-winter Dance.
June 5, 1960--We held a Good-by Dance for the seniors tonight to wish them the best of luck in the future. This was, of course, the last day of school.

Junior Year

September 5, 1960--We proudly accepted our role as juniors today. We are determined to do our best to make this year profitable.
September 8, 1960--It's so warm in here with our new class rings on. That's one way to get everyone to notice them. They came in today and we are very proud of them.

September 24, 1960--Organization or confusion? Our elections were today and we chose: President, John Ninosky; Vice-President, Ray Spangle; Secretary, Nancy Sinclair; Treasurer, Josephine Kovalsky. Student council representatives are: Janet Freeman, Patsy Belin, Roy Dunlap, and Walter Rafacz. We were sorry to hear that Mrs. Philips would no longer be our advisor.
December 18, 1960--Our Christmas Dance, to celebrate the coming vacation, was held tonight. Everyone admired the decorations. The colorful Christmas tree was the center of attraction.
April 4, 1961--Besides being Dress up Day, today was also the day of the campaign speeches of the candidates for student council officers. The results of the final elections were: President, George Finch; Vice-President, Walter Rafacz; Secretary, Jean Brink; and Treasurer, Alice O'Donnell.
April 7, 1961--Dots, Dots and more Dots! We had millions of colorful and assorted dots at our post-lent Dot Dance tonight. The "Straw Hatters" presented the music and made the evening a huge success. Many prizes were given to the persons with correct number on the backs of their dots.
May 5, 1961--The Junior-Senior Prom night. We, the juniors, have spent months of preparation to transform the auditorium into a garden of roses and soft lights and colors. Our theme was "Moonlight and Roses" and the Stan Carle orchestra provided the music. We all think it was well worth our many hours of planning and hard work.
June 5, 1961--Our "Last Day of School Dance" marked the end of another year.

Senior Year

September 5, 1961--Seniors at last! We're finally at the top of the ladder.
September 25, 1961--We call it organized confusion day. It is also known as election day. We chose the following as our officers: President, John Ninosky; Vice-President, Dick Holes: Secretary, Nancy Sinclair; and Gail Bartek, Treasurer. Student council representatives are: Peggy Opdenhoff, Jane McCully, Roy Dunlap, and Ray Spangle.
October 6, 1961--We started our money-making campaign with a bakesale today, which added more money to our treasury.
October 8, 1961--Our Christmas card and Christmas items sample kits arrived today and we will form teams to cover the area.
October 17, 1961--Graduation became more real today as we chose the style for our graduation announcement cards and name cards.
April 2, 1962--It's Mardi Gras time! A time to be gay and enjoy yourself at our big dance tonight. Many-colored decorations have changed the auditorium into a delightful atmosphere.

As we close our senior year, we are anxiously awaiting our Washington trip and graduation. To be sure, each of us has his own ambitions, but we all share the common desire to thank all of our teachers and friends who have helped us over the years. We also want to wish the underclassmen the very best of luck, success and happiness possible in their future years at B. C. I.

JACQUELINE GUNIA, Literary Editor

To further his education to become President.

Dick Trent, what Dick wants out of life, we'll never know,
He'll probably end up going to a show.
But now there will be no danger,
Because Dick is our new Forest Ranger.

Art Twigg, a friendly guy,
To do things well; he would always try.
To tour the world he wanted to do,
Now he wears the Air Force Blue.

Gloria Warholic, Gloria a real sweet girl,
And always in a whirl.
In her classes she was the highest.
And now she's bound to be a clerk-typist.

Joan Willey, quiet and sweet,
A nicer girl you'll never meet,
To work in a factory is her concern
And lots of money she will earn.

Sherwin Witherow, a real nice guy,
Always held his head up high;
And the girls know where he's to be found
He'll soon be Army bound.

# Junior History

## Dear Diary

September 5, 1959-- It finally came! Now we are the top class of junior high. We are proud as peacocks.

September 25, 1959-- People don't call us the early class for nothing. So we elected our class officers, which are as follows: President, Jim Peacock; Vice-President, Nick Ninosky; Secretary, Gloria Flick; Treasurer, Bill Robinson. Doctor Sanders and Mr. Lomire are our class advisors.

October 9, 1959-- Philipsburg Bound, was our motto for our first skating party.

November 10, 1959-- Again all roller skates are in use at Philipsburg.

May 28, 1960-- All aboard for Hershey and Gettysburg from 4 A.M. to 12:30 A.M.

June 4, 1960-- School is out! We say good-by to our younger fellow classes and hello to our older friends.

September 5, 1960-- We nervously and fearfully walked up the steps of senior high. It is completely different here. The big difference is that there are more steps and building.

September 29, 1960-- Today we chose the following officers. President, Ronnie Lewis; Vice President, Randy Rowles; Secretary, Gloria Flick; Treasurer, Sandy Wallace. Student Council members were: Georgie Jean McCully, Judy Troxell, Larry Taylor, and John Hewitt.

October 2, 1961-- Everything is sold at our first big activity, the bake sale.

November 22, 1961-- Records, dancing, and pop were the things necessary for our Thanksgiving Dance.

May 22, 1961-- Does anyone have an extra dollar to get his car wasked by us?

September 22, 1961-- Organization again. We elected our class officers: President, Bonnie Worgul; Vice President, Pat Heil; Secretary, Sandy Wallace; Treasurer, Randy Rowles. Student Council members; Georgie Jean McCully, Sandy Rea, Larry Taylor, Don Peno.

November 17, 1961-- Turkey anyone? Everyone danced at our Thanksgiving Dance to enlarge their appetite.

December 15, 1961-- Everyone enjoyed the Christmas holidays starting off with our Christmas Dance.

June 5, 1962-- Another year of work and fun is over until September. Somehow it will be different without the Seniors. We wish the Seniors all the luck and success in everything each one attempts. We undergraduates hope to follow in their steps in the coming year when we will be the proud Senior of B.C.I. High School.

## Dear Diary

September 6, 1961--We began our first day as freshmen. Everyone is anxious to get back into the old groove.

September 10, 1961--We, the class of 1964, held our first real meeting. Our first business at hand was electing the following class officers: President, Larry Bloom; Vice-President, Bill Opdenhoff; Secretary, Kathy O'shall; and Treasurer, Ed Zupich. Class dues were levied at twenty cents a month.

September 11, 1960--Second class meeting was held, and class colors, roy blue and white, were picked.

September 13, 1960--Another meeting was held, at which we decided to order class hats, jackets, and emblems for all members of the class who wanted them.

September 15, 1960--We sponsored our first skating party, which proved quite successful. Many students attended and three buses were taken.

October 9, and 23, 1960--We sponsored two more skating parties which all proved successful. This concludes our fund raising projects.

May 19, 1961--Our class spent the day touring the State Capitol at Harrisburg, the Gettysburg battlefield, and the Hershey Candy factory. The climax of the day was Hershey Amusement Park. Having enjoyed the trip very much, we came home very tired.

June 6, 1961--Last day of school. Everyone is anxious to start vacation.

September 5, 1961--Our first day in Senior High. Everybody seems a little lost, but we'll get used to it in time.

September 7, 1961--We held our first class meeting. The following officers were chosen. President, Larry Bloom; Vice-President, Bill Opdenhoff; Secretary, Kathy O'shall; and Treasurer, Ed Zupich. Bob Shomo, Ronnie Bollinger, Sue Fegan, and Marcia Belin were chosen to represent us on the student council.

October 27, 1961--We sponsored a Halloween Dance tonight. It was successful, and a good profit was made.

April 26, 1962--We held a skating party tonight. A good time was enjoyed by all.

March 12, 1962--We had our first bakesale today. Assorted baked goods were donated and a good profit was made.

June 5, 1962--The last day of a very exciting year. We sophomores wish the seniors the very best of luck and success in the future.

## Football

September 8, 1961

Our B. C. I. Wolves opened their first full season of grid action in twenty-five years at Lilly. The first half proved to be exciting by a 7-6 Lilly halftime score. Lilly rallied for 14 points in the second half, this resulting in a 21-6 B. C. I. setback.

September 16, 1961

Our boys, slightly depressed by the loss to Lilly, next encountered the West Branch junior varsity at home. Although we lost, for the rest of the season, our top quarterback, Larry Bloom, the charges of coach Dick Dean rolled to a 28-0 win over the Warriors. The fine running of Fred Mowchan, Jim Peacock, and Ronnie Bolinger paced the victory.

September 23, 1961

The next clash for the Wolfpack came at Irvona where we played host to Black Lick. In this game we lost our top ground gainer thus far this season, fullback Fred Mowchan, who suffered a broken nose. After this, the second serious injury to our backfields, the boys played harder than they ever did before. Our defense was good, but our offense could not seem to move the ball. The game was hard fought, which the score did not show, but we couldn't overcome the experience of the boys from Black Lick. This 27-0 was our second defeat.

September 29, 1961

Next our boys journeyed to Reynoldsville, meeting the Falcons under the lights in the first night game in our history. The Falcons tallied 46 points to our 6. Jim Stiffler scored our lone touchdown with two minutes remaining in the game.

After the game, the atmosphere changed from signal-calling to friendly conversation in the school cafeteria, where both teams met and were served refreshments.

October 14, 1961

Our eleven next met Gallitzen on our own turf, but because of our many injuries encountered this year, we were unable to cope with the hard driving Gremlins. The final look at the scoreboard showed us the underdogs, being upset 33-0.

October 21, 1961

Again we took to the road playing Northern Bedford on their home field. Northern Bedford's experience proved to be the trick in showing our boys a 53-6 setback. Our new quarterback, Ron Bolinger, pushed across our only score.

November 4, 1961

Our spirits were high for the final game of the season, as we were hosts to Penns Valley High. We played one of our better games of the season, despite the 26-0 defeat. Our defense was good, but again our offense needed improvement.

We are looking forward to a better record next year through the benefits of this year's experience and the fine coaching of Richard Dean and Cyrus Kepple.

## Basketball

Last year our team won the Moshannon Valley Championship. This year with a schedule of twenty games and all the new talent on the team, we expect to do as well. GOOD LUCK BOYS.

Left to Right: SITTING--Doris Zupich, Jennie Kephart. KNEELING--Karen Noel, Linda Cunningham, Debbie Maines, Pat Clarkson.

## Alma Mater

Through the great Moshannon Valley
Flows an endless stream
Of our B.C.I. school spirit,
Make of fondest dreams.

We are ever striving onward
As our dreams unfold,
Fostered by our Alma Mater,
Our dear blue and gold.
